### **More about the Intensive:**

We will cover most of the topics listed below plus there will be plenty of inter-active exercises. If you are new to the idea of Mediumship and wonder how you will do, please don't be worried. There will be others who have the same concerns as you do. We teach in a loving, safe, and encouraging atmosphere. And, we have fun too!

### **Added benefits:**

#### **Receive a diploma of completion for taking this seminar!**

Meet like-minded people who are as serious about the subject of Mediumship as you are. Learn how to build development circles right here in Phoenix or set up a nationwide network.

After the seminar, you will be invited to join our student forum.
